Waiver of Requirement for Criminal Offender Record Information**

In consideration of the agreement of the undersigned to refrain completely in his capacity as a Producer (defined below) from entering upon the Medford High School premises located at 489 Winthrop Street, Medford, Massachusetts (the "Premises"), which are utilized by Medford Community Media ("MCM") as its principal place of business, thereby eliminating any possibility that the undersigned will have direct and unmonitored contact with children, MCM hereby waives the requirement set forth in Paragraph 5 of the Producer Agreement and Indemnification Form required to be completed by each person, organization or other entity (the "Producer") that requests that MCM carry its programming (the "Producer Agreement"). Paragraph 5 of the Producer Agreement requires as a condition to the Producer participating in public access offered by MCM that the Producer permit and consent to the City of Medford conducting a criminal background check with respect to the Producer. The undersigned Producer agrees that all programming submitted to MCM by the Producer shall be submitted utilizing the United States Postal Service, any nationally recognized overnight courier service or any other third party delivery service, but under no circumstances shall the Producer be permitted to enter the Premises for any purpose whatsoever, including without limitation the submission by the Producer of proposed programming to MCM. The Producer further agrees that while this Waiver is in effect the Producer shall not be permitted to enter the Premises for the purpose of removing any equipment from the MCM facility as provided in Paragraph 8 of the Producer Agreement. While this Waiver is in effect the undersigned shall, however, be permitted to enter Medford High School as a visitor in accordance with all of the requirements of Medford High School that are applicable to visitors. Such right of access shall not include that portion of the Premises occupied by MCM. The Producer shall be entitled at anytime to terminate this Waiver through the execution and provision to MCM of the Criminal Offender Record Information Acknowledgement Form required by the Medford Public Schools, and subject only to the results of any such criminal offender record information search, the Producer shall thereafter be permitted to enter upon the Premises in his capacity as a Producer.

Signed as a sealed instrument this ____ day of October, 2017.
