<sup>1</sup> "Obscenity" is defined as material that the average person, applying contemporary community standards, would find that, considered as a whole, its predominant appeal is to the prurient interest in sex and it depicts or describes in an offensive manner, actual or simulated: sexual intercourse, sodomy, sexual bestiality, masturbation, sadism, masochism, excretion, or lewd exhibition of the genitals, and considered as a whole lacks serious literary, artistic, political, and scientific value.

<sup>2</sup> Massachusetts Civil Rights Act ("MCRA"), M.G.L. c. 12, §§ 11H, 11I, 11J, protects the rights of all residents and visitors to Massachusetts to be free from bias-motivated threats, intimidation, and coercion that interfere with their civil rights.
